

DISTRIBUTION LIST

FOR THE

PROVINCE OF ONTARIO

CONTAINING

1. The names of the Post Offices alphabetically arranged; (N.B.) a (*) before the name of a Post Office indicates a Customs Port or out-port.
2. The names of the Postal Car Routes, Sections of Postal Car Routes or Distributing Offices through which matter for the several offices should pass.
3. The names of the Offices to which the matter is forwarded by the Railway Mail Clerks or Distributing offices when not mailed direct, (Direct mails are indicated by dotted lines).
4. The names of the Mail Routes by which the Offices are served when not situated on a line of Railway. When an Office is served by two or more routes the hours of departure from the several terminal points are given.
5. The (a) (b) or (1) after the name of R.P.O. route indicates offices near a transfer point. Mail for such offices should be kept separate to permit prompt sortation, and avoid *overcarrying* by the route receiving.

INSTRUCTIONS.

1. Matter for any Office which is supplied by more than one Route should be forwarded by the one by which it will most speedily reach its destination. R.P.O. routes are given first. B. car and stage services are shown last in column 3.
2. When any doubt exists as to the proper Railway route by which matter should be forwarded, application should be made to the Postal Superintendents. Similar information should be obtained from the District Superintendent of Postal Service regarding Mail routes off the line of Railway.
3. In case of change of name, the old name should be erased from the list and "*changed to*" (the new name) written opposite to the erasure. Opposite the entry of the new name should be written "*formerly*....." (the old name).
4. It is the duty of The District Superintendents Postal Service and Postmasters *personally* to see that the Distribution Books furnished to each Clerk under their supervision are corrected by the Lists issued from the Post Office Department and the Office of the Chief Superintendent R.M.S. at Ottawa.
